... to assess the view that ethnic differences in crime rates are the result of the ways in which the criminal justice system operates (21 marks) so that...

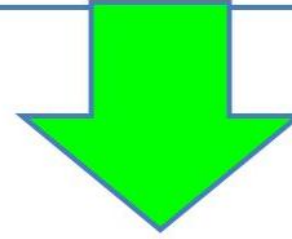

1-7 marks I can:

- make **one or two points** about ethnicity and crime
- briefly describe **one relevant study**

8-15 marks I can:

- **explain, and begin to evaluate**, how the way the **CJS operates creates different crime rates** between ethnic groups
- describe **at least two relevant studies**

16-21 marks I can:

- analyse a **broad range of ways** in which the operation of the CJS creates different crime rates between ethnic groups
- **evaluate different views/theories on this**
- consider **issues with methodology in more than two studies** on this topic
